Springer Protocols Manuscript Submission Checklist:

Your chapter manuscript should be a single document file containing the following items:

☐**Chapter Title**

☐**List of All Authors** with affiliation and ORCID ID's (authors cannot be added after the book enters production)

☐**Corresponding Author**

☐**Abstract**

☐**Key Words**

☐**1. Introduction**

☐**2. Materials**

☐**3. Methods**

☐**4. Notes**

☐**Competing Interests Statement**

☐**References**

☐**Tables** and **Table Captions**

☐ **Figure Legends**

Things to include with your manuscript:

☐**Figure files** clearly labeled (Fig 1, Fig 2, etc)

☐**Author Agreement** signed by corresponding author

☐**Permissions** for any republished figures

☐**Alt Text** for all images (as an excel sheet)

For more information about any of these items, please consult the "Author Instruction- Springer Protocols" guide provided by your volume editor, or reach out directly to your volume editor for clarification.
